TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 13, 1996

SUBJECT: **SB 2762 - HB 2606**

This bill, if enacted, will create the Uniform Bail Act and revise present law concerning release from custody and bail. The bill will provide for bail to secure the pretrial release of an accused only by commercial, cash, or personal bonds.

The fiscal impact from enactment of this bill is estimated to be an increase in local expenditures to jail persons who may be unable to make bail under these provisions. The amount of such increased expenditures cannot be determined but is estimated to be not significant.

Enactment of this bill is also estimated to result in an increase in state and local revenue from forfeiture of bonds from increased upper limits on the amount of bonds. The amount of such increased revenue cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
